

### Quantum received by one-year Major Grant recipients for FY2011

Of the 16 arts companies receiving the one-year Major Grant, 1 will be a first-time recipient of the grant (i.e. Angkatan Sasterawan '50), while 15 had also received the one-year Major Grant in FY2010. Among these 15 companies, 13 will receive an increase in the funding quantum compared to FY2010.

The National Book Development Council of Singapore will be receiving grant support of the same quantum as FY2010. While the total grant quantum Wild Rice Ltd will receive is lower than in FY2010, the support as a percentage of its total projected expenditure, as well as the funding it will receive for its operations, remain unchanged from FY2010. A higher level of support is also granted to its young talent development programme (Young and Wild) at approximately 50% of the programme cost. However, as Wild Rice Ltd's Festival Programme is not likely to meet our funding conditions, NAC is not able to commit funding for it and recognises that the Festival Programme would be able to develop more independently with private support.
