Event descriptions and schedule of events:

### ***Noise Singapore 2012 Festival Showcase Exhibition***

The Noise Singapore 2012 Festival Showcase Exhibition will be at Basement 4 at the ION Orchard Event Hall. A sample of some of the works on display at the Festival Showcase Exhibition is included in **Annex C**.

In addition to exhibition highlights such as Create Your Own Space, the Design-Your-Bag activity corner, and the Noise artists merchandise section, the public can look forward to music by Noise community musicians at the open mic sessions on the first two weekends.

### ***The Apprenticeship Programme (TAP) Exhibition***

Over the past 10 weeks, 42 budding young talents from TAP programme honed their craft under the mentorship of some of the most accomplished experts in the local arts and creative industries. From creative toymakers and comic illustrators to thought-provoking photographers, expect this year's TAP Exhibition to surprise and mesmerise audiences with an even fresher and more diverse palette of art, design, photography and multi-media installations. The TAP Exhibition will be held at the Goodman Arts Centre Gallery. A sample of the works on display at the TAP exhibition is included in **Annex C**.

### ***"Make Some Noise" Concerts at the Esplanade***

Closing the Festival on a high note, apprentices from the Music Mentorship (TMM) programme will showcase their array of music at a series of evening performances at the Esplanade Outdoor Theatre and Upper Concourse from 2 to 4 March. Comprising young bands, singer-songwriters and instrumental musicians, be awed by the musical dexterity and sharp showmanship of our local budding musicians as they entertain audiences with their very own flavour of music.
