

## Stamford Arts Centre - Shared Facilities

### Black Box

The SAC black box is designed to be a multi-purpose space that provides an intimate setting for rehearsals, performances or events. With a total floor area of 355 m<sup>2</sup>, the fully air-conditioned black box provides performance capabilities with theatre grid and lighting, as well as a fully integrated sound system. Retractable seats with a capacity of up to 162 persons are also available for small scale performances. A modular sprung floor system is also available when required.
