About Ministry of Bellz

Ministry of Bellz (MOB) is Singapore's premier and independent handbell ensemble. It was established in June 2007 with the main objective of creating an active community handbell ensemble for current and former school ringers to be able to continue their passion in the art of handbell ringing. They have amassed more than 400 shows in the last 11 years.

Handbell ringing is a 400-year-old art-form dating back to the 16th century, when bells were ringing on top of church towers. It's all about hand-eye coordination, team-building and stimulating the brain to build memory. Come and be serenaded by the Ministry of Bellz conducted by Damien Lim. Let these sweet and heavenly sounding English handbells take you back on a trip to the early days of independent Singapore, through familiar and popular tunes. Who knows? You might be inspired to pick up a bell or two yourself.
