The Audit Committee’s primary function is to assist the Council in fulfilling its oversight responsibilities by reviewing the financial reporting process; the system of internal control including management; internal and external audit processes; and interested person transactions (if any).

The Human Resources Committee has the primary function of providing guidance on human resources management of the Council. It plays an advisory role in fostering a culture of continuous improvement while moving the Council towards high performance through making the best use of its human resources.

The Investment and Finance Committee’s primary function is to assist the Council in fulfilling its oversight by overseeing the management of the investment assets belonging to the Council and reviewing the Council’s financial reporting.
