### About Damien Lim

Born into a family of musicians, Damien Lim has studied music extensively; and performed and taught music in no less than 25 countries. He is the Executive Director at Handbell Ringers of Singapore (HRSG), the Founder/Music and Executive Director for the Ministry of Bellz and the Creative Director at Lim Yong Productions.

A handbell may look simple, however the playing, harmonising and history behind it is rich and textured. How do you ring a bell? What do the colours of the bells mean? If one person is only in charge of a few notes, then how many friends do you need to play "Singapura, Sunny Island"? With the constant ringing, how do you make handbells sensory/autism friendly? Get to know handbells better with Damien Lim in this show and tell. And learn how to come together with *kawan-kawan* to play a song in perfect harmony.
