红山脚下的歌谣 Old Songs of Redhill Market

by Toy Factory Productions Ltd

Performed in Mandarin and Hokkien, with English subtitles

Old Songs of Redhill Market is an intimate storytelling concert featuring Hokkien songs collected through those golden years. From one generation to the next - these tunes of good old carefree times now see the light of day in this performance.

Hum along to melodies inspired by early morning Kopi banter, forging of brotherhood, and the rich heritage of Redhill - where it began as scribbles on paper, into full scores of life. *Old Songs of Redhill Market* is a heart-to-heart concert for us to reminisce those beautiful days.

《红山脚下的歌谣》——呈献一连串牵动人心的故事以及久违的福建歌谣。从口述耳传的手抄简谱到编写成美妙音符的演出乐谱，让我们和爱好家乡音乐的前辈们，一起哼着这些熟悉的曲调，回味过往红山巴刹早晨时分的咖啡香以及人与人之间的亲密情谊。
