### About SwingStation

SwingStation was created in January 2019, by dancers with over 20 years of experience teaching Lindy Hop all over the world. Soon after, their SwingStation nights became a mainstay of the local Lindy Hop scene.

Together with B Swing Lindy, they specialise in jazz and swing dances, bringing the music and dance of the 1930s and 40s to Asia.

Have you always wanted to try out a fun exercise or maybe do a little tap to your favourite tune? Are your social gatherings always sedate and seated? Then what are you waiting for? Learn to dance with SwingStation today! Join Sing Yuen as she shares a brief history of Lindy Hop and demonstrates some of the key dances of the 30s, with dancers from both SwingStation and B Swing Lindy. Sing Yuen will also teach a short and easy Shim Sham class, so gather a few *kakis* and have a dance party of your own, because it's never too late to learn this happy dance.
