About The ETCeteras

With the artistic vision to create funny and poignant works depicting everyday lives, The ETCeteras hopes to turn theatre from an empty space into a place to dream, scream and redeem ourselves.

As a writer of obituaries, death and goodbyes have defined much of Zhang Le's life. After being diagnosed with a terminal illness, he decides to write a different obituary and hold a different funeral... for himself. Little does he know what white lies and dark secrets he is about to unearth.
