

NATIONAL ARTS COUNCIL  
SINGAPORE

**NATIONAL ARTS COUNCIL – ARTS EDUCATION PROGRAMME (NAC-AEP) 2023**  
**Terms & Conditions for Applications**

1. All applicants agree to the following clauses regarding information sharing with NAC:
  - All information submitted in the application is deemed as accurate and true and any incomplete applications will not be considered.
  - Information including images and contact details provided may be posted on the directory as public information for schools, unless otherwise stated.
  - All information, including proprietary information but not limited to assets, lesson plans provided to us will only be used for the purpose of assessment and may be shared with appointed external parties for the assessment purpose only.
  - NAC staff with access to the information you provide are required to observe our confidentiality obligations as per outlined in the Government of Singapore Privacy Statement.
2. NAC reserves the right to request for more information or clarification on the application during the assessment process. Auditions may be requested as part of the assessment process.
3. All applicants are responsible for engaging the relevant and appropriate instructors/performers required to deliver the programme(s) to schools. Applicants that are unable to do so will not have their programme(s) listed on the NAC-AEP Directory.
4. All applicants are responsible for obtaining Public Performance Rights and the appropriate permits and licences for the use of all copyrighted materials. NAC shall not be liable for any copyright infringement on the part of the applicants.

*For information on copyright, please visit the Composers and Authors Society of Singapore Ltd (COMPASS) at [www.compass.org.sg](http://www.compass.org.sg) and the Intellectual Property Office of Singapore (IPOS) at [www.ipos.gov.sg](http://www.ipos.gov.sg).*
5. NAC's decision is final. NAC reserves the right not to disclose reasons for approving or disapproving an application.
6. Failure to comply with any of the abovementioned terms and conditions may influence the outcome of future applications.
