Section 1: Capability Development Grant Overview

What can the CD Grant support?

The Capability Development Grant (CD Grant) encourages and supports the continuous professional development of the people that work in Singapore’s arts and culture sector and can support your organisation or you for the following categories of training activities or programmes:

	For you as an individual	For your organisation
<ul style="list-style-type: none"> • Professional training and skills development programmes such as: <ul style="list-style-type: none"> ○ Workshops, master classes, seminars, conferences ○ Professional programmes (e.g. certified or accredited courses such as professional diplomas) ○ Residencies ○ Participation in Competitions¹ ○ Structured Mentorships 	Participate only	Send your employees or members to participate or Organise for your employees or members
<ul style="list-style-type: none"> • On the job training activities such as: <ul style="list-style-type: none"> ○ Work attachments ○ Internships, traineeships, or apprenticeships 		

[Updated] Priority Areas

Priority will be given to training programmes that are aligned with the priority areas in Our SG Arts Plan (2023 – 2027). They include:

- Digital technology for art-making, audience development and outreach, and business development (e.g. data analytics, digital marketing)
- Audience engagement
 - facilitation and engagement in the arts;
 - teaching artistry, arts education and pedagogy;
 - working with communities and/or youth;
- Entrepreneurship and organisation capabilities
 - arts management, including business management and leadership;
 - fundraising and financial management;
 - branding and marketing;
 - governance;
 - intellectual property and legal;
- Art-form specific capabilities
 - arts practice with a focus in traditional art forms that reflect the Chinese, Malay and Indian heritage of Singapore;
 - curating for visual arts;

¹ Participation in competitions should preferably be accompanied by opportunities for professional development such as master classes and workshops. Organisations that are planning to organise competitions should consider applying for the Presentation and Participation Grant.

- literary publishing, editing, translation and creative writing;
- technical design and stage / production management.
- Arts research, critique and documentation

Supportable programmes should be relevant to the work of the individuals and the role employees and members perform in their organisations. Online courses are also eligible for support and should be at least 3 hours in duration.

Maximum Duration of Support

The CD grant is able to support activities or programmes that span a duration of no more than 12 consecutive months.

What is the level of funding under this scheme?

	Individuals	Organisations	
		Non-Profit or Collectives	For-Profits ²
Percentage of Actual Supportable Expenses	Up to 70% [For SEPs ³ only] Up to 90%		Up to 50%
Overall Cap per Financial Year	\$20,000	\$75,000	

Given the competitive nature of arts funding and limited resources, NAC will prioritise new proposals as opposed to recurrent projects of a similar nature which have been funded before.

Funding will vary depending on the requirements of the project as well as the following factors:

- The extent to which your application meets the CD grant objectives and assessment criteria; and
- A reasonable estimate of the budget⁴

² Projects proposed by for-profit entities must have significant developmental benefits for Singaporean artists, bring high quality arts to audiences and should achieve financial sustainability with time. In addition, we will prioritise funding to companies whose core business is in the arts.

³ Only SEPs who do not concurrently hold full-time employment and are able to produce proof of SEP status are eligible for the 90% grant funding cap. Please refer to Page 6 for the types of supporting documents required.

⁴ The first step in preparing a good budget is to identify your project's needs and understand how much they would cost. We encourage you to work out a realistic budget that demonstrates your understanding of costs and needs. An unrealistic budget, over-inflated budget will not necessarily guarantee more funding, and may have counter-productive effect of casting doubt on the soundness of your overall proposal.

Section 2: Eligibility

Who is the Capability Development Grant for?

- **Individuals** who are Singapore Citizens or Permanent Residents (PR) preferably residing in Singapore and actively contributing to the local arts scene.

Priority will be given to applications by Self-employed Persons (SEPs)⁵ and who are Singapore Citizens or Permanent Residents residing in Singapore and work in the local arts scene.

Organisations that are either registered with ACRA (including sole proprietorship / limited liability partnership (LLP) / Company Limited by Guarantee (CLG) / Private Limited Company) or as a society with the Registry of Societies at the time of application.

- **Informal groups or collectives** in which the majority of members are Singapore Citizens or PR can apply but the applicant (be it a member of the group or a legally constituted organisation) will have to take legal and financial responsibility on behalf of the collective.

- Activities that have already commenced or taken place (please refer to Page 6 for application deadlines).

A note on our funding guidelines

The NAC celebrates the diversity of expression and open, balanced dialogue in the arts. However, as a statutory body disbursing public funds in line with Government policies, NAC has to prioritise funding to proposals which do not:

- Advocate or lobby for lifestyles seen as objectionable by the general public;
- Denigrate or debase a person, group or class of individuals on the basis of race or religion, or serve to create conflict or misunderstanding in our multicultural and multi-religious society;
- Undermine the authority or legitimacy of the government and public institutions or threaten the nation's security or stability.

[Updated] Explanatory notes on provisions of NAC Funding
