Section 1: Overview

What is the Market and Audience Development grant?

This grant supports your activities to build audiences, patrons and supporters for your artistic efforts at home and abroad.

We recognise that arts intermediaries, such as galleries, presenters, impresarios, literary publishers etc., also play a role in bringing artists and artworks to audiences and markets. This grant also supports such efforts that directly benefit Singapore artists, particularly in reaching new audiences and markets.

Like you, we believe that beyond marketing, there is a need to develop relationships with audiences and patrons, and that once experienced, the arts can empower and enrich lives. In the long run, we hope that this will inspire a deep and abiding appreciation for the arts as part of our culture.

What does the Market and Audience Development grant support?

Your programmes and projects can involve any of the following activities:

Marketing and Audience Development Initiatives:

- Market research including audience surveys;
- Branding, marketing and publicity for the arts group/company, or for specific projects/productions¹;
- Development and production of resource materials or collateral² for sponsor or audience engagement;

International Activities:

- International touring;
- Participation in international arts platforms (e.g. festivals, trade fairs, biennales, etc.³);
- International visit programmes (e.g. for media, arts personalities etc).

All digital presentations must [adhere to NAC's funding guidelines and IMDA's Internet Code of Practice](#).

Digital content should be suitable for the general public, with priority given to projects that are appropriate for [General Audience](#) viewing. Applicants are encouraged to consider inclusive practices such as surtitling, close-captioning and sign language services to cater to diverse audiences.

¹ If not already supported by a Production or Presentation & Participation Grant.

² Examples include, but not limited to, flyers, brochures, posters, press kits with a single, etc.

³ Application for funding support to participate in competitions and conferences should be made under the Capability Development Grant.

What is the level of funding under this scheme?

Our funding varies by applicant and project type, as shown in the table below:

Applicant Type	Funding caps for all projects (excluding travel)	Funding caps for travel-related projects	
		Airfare and Freight	Associated travel costs ⁴
Individuals and Non-Profit Organisations	Up to 70% of a realistic budget	Up to 100%	Up to 70%
For-Profit Organisations	Up to *50% of a realistic budget	Up to 100%	Up to 50%
Capped at:		3 travel-related grants per financial year	
		\$70,000 ⁵ per financial year for each applicant	

*Projects proposed by for-profit entities must have significant developmental benefits for Singaporean artists, bring high quality arts to audiences and should achieve financial sustainability with time. In addition, we will prioritise funding to companies whose core business is in the arts.

Given the competitive nature of arts funding and limited resources, NAC will prioritise new proposals as opposed to recurrent projects of a similar nature which have been funded before.

Funding will vary depending on the requirements of the project, as well as the following factors:

- Merit and innovativeness of the submitted proposal and its potential contributions to increasing awareness and access to the arts in Singapore and abroad;
- Potential impact of your work on reaching new and wider audiences for Singapore arts;
- Your demonstrated ability and commitment to realise your ideas;
- A reasonable estimate of the budget⁶

⁴ Associated travel costs include accommodation, transport, printing costs, visa fees, etc. These may be supported in the event that your foreign collaborator is unable to cover these costs.

⁵ If an organisation with both a non-profit and for-profit arm applies for the same grant within a financial year, the cap of \$70,000 applies to both arms, and all subsidiaries of a single organisation will be treated as a single applicant.

⁶ The first step in preparing a good budget is to identify your project's needs and understand how much they would cost. We encourage you to work out a realistic budget that demonstrates your understanding of costs and needs. An unrealistic, over-inflated budget will not necessarily guarantee more funding, and may have the counter-productive effect of casting doubt on the soundness of your overall proposal.

Section 2: Eligibility

Who is the Market and Audience Development Grant for?

The Market and Audience Development grant is open to:

1. Individuals who are Singapore citizens or Permanent Residents (PRs), preferably residing in Singapore and actively contributing to the local arts scene (e.g. artists, collectives⁷, performers, writers, presenters, curators, producers, impresarios, dramaturges and other people working in the arts)

Priority will be given to applications by Self-employed Persons (SEPs)⁸, who are Singapore Citizens or Permanent Residents, residing in Singapore and work in the local arts scene.

2. Organisations whose core business is related to the arts and which are either registered with ACRA (including sole proprietorship / limited liability partnership (LLP) / Company Limited by Guarantee (CLG) / Private Limited Company) or as a society with the Registry of Societies at the time of application⁹.

Proposals that involve collaborations with foreigners are eligible, as long as the lead applicant and at least half the team is Singaporean or PR.

Who is not eligible to apply for the Market and Audience Development Grant?

NAC will not be able to support your application if you:

1) Are a group/organisation

- constituted for non-secular purposes;

⁹ Recipients of the Organisation Development Grant (i.e. Seed Grant and Major Grant) may apply for strategic international travel projects, on an exception basis. Please speak to your account manager to ascertain whether a project will be considered for assessment under the MAD grant.

¹⁰ The project's start date refers to the earliest date of the first event, performance, exhibition, etc. for both local and international activities.

- evaluation reports on the use of previous grants from NAC;
- outstanding debts with NAC (you are eligible to apply once you have cleared your outstanding debts).

A note on Funding Guidelines

While we celebrate diversity of expression and open, balanced dialogue in the arts, as a statutory body disbursing public funds in line with Government policies, NAC has to prioritise funding to proposals which do not:

- Advocate or lobby for lifestyles seen as objectionable by the general public;
- Denigrate or debase a person, group or class of individuals on the basis of race or religion, or serve to create conflict or misunderstanding in our multicultural and multi-religious society;
- Undermine the authority or legitimacy of the government and public institutions, or threaten the nation’s security or stability.

Explanatory notes on provisions of NAC Funding

NAC reserves the right to review, withdraw, recover or withhold any Funding in full or in part in the event the total qualifying cost of the Project indicated in the final budget template submitted to NAC is below the cumulative amount of funding received for the Project from all NAC-administered grants, including the Tote Board Arts Fund and the stART Fund.

If there are international travel components in your application, please note that NAC only supports economy airfare for flights that are directly related to the completion of the project. Any travel or add-on charges not specifically linked to the project will not be supported. Please only indicate the cost for economy airfare in your budget proposal at the point of application. If you are opting or had opted for a higher class of travel, please indicate in the remarks column of the budget proposal template submitted to NAC at point of application and in the final budget template. Any top up for a higher class of travel is at your own expense.

Applicants are to ensure that their projects do not infringe the Intellectual Property (IP) rights of others.

For information on copyrights and royalties, please refer to the [Intellectual Property Office of Singapore \(IPOS\)](#) and the [Composers and Authors Society of Singapore \(COMPASS\)](#).

If your application is successful, congratulations! You will receive a **Letter of Award via the OurSG Grants portal** with the following information:

1. Terms and Conditions of the grant;
2. Deliverables as agreed by you and the NAC

The grant offer will be valid for two weeks from the time the letter of notification is sent out (unless we write to you to state otherwise). If you do not accept the offer within this period of time, the offer will lapse.

Unsuccessful applicants will receive a **Letter of Notification** within the same period.

Appeals

We will not be able to accept appeals against artistic strength. However, cases will be reviewed on grounds of processing procedures. All appeals have to be submitted in writing to NAC within two weeks of the notification of results.

How will you receive your funding?

Depending on your grant quantum, your grant will be disbursed in two or three tranches, as summarised in the table below. The grant will be credited into your or your organisation’s recognised bank account.

Grant Quantum	1st tranche	2nd tranche	3rd tranche
Less than \$20,000	80% of grant quantum upon award and acceptance of grant	20% of grant quantum upon successful completion of project, and upon submission of self-evaluation report and financial report. ¹¹	-
Equal to or more than \$20,000	50% of grant quantum upon award and acceptance of grant	30% of grant quantum upon successful completion of project	20% of grant quantum upon submission of evaluation report and submission of certified statement of accounts ¹² .

What are you expected to deliver?

If you are successful, you will be expected to deliver the plans you have articulated in your funding proposal and projected timeline.

When you have completed your project, you will have to submit **a Self-Evaluation Report** (refer to **Annex A**) **within three months of project completion**, to help you take stock of what you have accomplished and the challenges you faced, if any and a **Financial Report** or **Certified Statement of Accounts**.

The Financial Report is for grants below \$10,000 and it is the budget form submitted as part of the grant application, with actual income and expenditure reflected.

The Certified Statement of Accounts is for grants of \$10,000 and above, where you will need to submit Statement of Accounts certified by an accountant registered with the Institute of Singapore Chartered Accountants (ISCA) or equivalent international body. As part of the submission, the proof of the accountant's registration with ISCA or any equivalent international body (e.g. ISCA Membership ID) should be provided as well. For Chartered Accountants registered with an international body, documentary proof (e.g. certificate, screenshot of membership ID on the registry) must be provided. Certification is to be done on the original budget form submitted at point of application.

Please log onto the OurSG Grants Portal to submit the above reports. To help you navigate the portal, you may refer to the OSG FAQ page via <https://oursqgrants.gov.sg/faq>.

Should you have used other platforms to present and publish your projects, please report the equivalent indicators.

For the following digital indicators, please refer to [Annex A2](#) for the guiding principles that should support your counting and tracking.

[Updated] Guiding principles for reporting digital indicators

1. At which point should you extract the digital indicators for reporting?	
a. Online content with an expiry date e.g. pre-recorded performance online from 1-10 May, taken down/deleted after 10 May	From publish date to programme’s end point or reporting deadline, whichever is earlier
b. All other online content that will be posted/published online for eternity	From publish date to reporting point/reporting deadline
2. Other Important guidelines to note when counting digital indicators	
a. Report for applicable platforms	Reporting should be done for the applicable platforms only , and as long as the digital indicators are available to the grant recipient / partner. NAC notes that free/personal vs business/premium accounts on various online platforms will offer varying access to digital indicators.
b. Embedded content	For audio-video content embedded in websites, digital indicators to be tracked from the original source where the content is hosted , and not double counted to include website visitor/unique page views e.g. if a YouTube video is embedded on website, track digital indicators from YouTube only.
c. Content on multiple platforms	If the same piece of content is hosted on multiple platforms (e.g. on FB, IG & YT), digital indicators should be counted across all platforms where content is hosted , but note point 2d about embedded content.

Other examples of digital platforms include:

- SoundCloud
- Zoom
- Tik Tok
